

BC Ceramics

Service, quality and expertise for over 30 years

Established for over 30 years, BC Ceramics is a leading supplier and distributor of ceramic and porcelain tiles.

This brochure features our most popular ranges. However, this reflects only a proportion of our full range, which is available for purchase through our five sites in St Albans, Gillingham, Haywards Heath, Northampton and Birmingham.

All of the product ranges featured in this brochure are held in stock and are available for immediate collection or delivery.

Our experienced staff will be happy to assist you with any questions or specific requirements you may have. Please either drop into a store, or contact us by phone with any enquiries, including for details regarding prices.

We are also able to source bespoke products direct from manufacturers all over the world, so if you are looking for something unusual or specific, please get in touch and we will endeavour to assist you.

Notes:

Please note that packing details can change. Please order by the number of tiles, or square metres.

During the life of this brochure, some products may be discontinued. Information is correct as at time of print.

Whilst every effort has been made to choose photographs that faithfully portray the tiles we sell, variations in film, lighting and print can result in significant differences between the photographs in this catalogue and the actual product. We recommend viewing a sample before purchasing.

No liability will be taken for incorrect information in this brochure. If you have specific requirements, particularly regarding technical aspects, please ask our sales staff, who will be very happy to answer any questions you may have.
